Infobel Pro Cash

THE BEST SOLUTION FOR RECOVERING UNPAID AMOUNTS AND FIND BAD PAYERS

Use a tool that can help you find your bad payers in real time

1 Our solution : Infobel Pro-Cash collection

What we know

- A. Often you need more than **20 minutes** and **10 searches** with one operator to find information on one single person!
- B. The address you're looking for is often misspelled
- C. When a colleague takes on an old file, sometimes the data collected previously is no longer up-to-date. They therefore have to carry out a whole string of new searches...

What we offer

- Finding all the information on an individual in **1 single search** in **real time**
- Immediate correction of typing mistakes linked to data capture. Follow-up and automatic updating
- A specially developed tool allowing you to obtain the maximum information on a person in record time and contact them
- Very targeted searches of a third party using all information available from various public sources, at the same time respecting the right to confidentiality of specific data
- A solution that meets your company's need for speed, flexibility and efficiency!

2 Why choose Infobel's Pro-Cash collection?

For speedy and efficient searches:

- Searches reduced to the minimum to give the operator or recovery agent the freedom to focus on more qualitative tasks
- New data gathered, organised and adapted to the specific needs of companies involved in recovery
- Real-time information transfer

To ensure your company enjoys real benefits:

- Speedy action and increased productivity for your employees
- Access to a substantial database at a reduced cost
- Storage of searched data (for later consultation)

Une souplesse et une réactivité face à la demande :

- Increase your capacity to manage work by +/- 20% at no extra cost to your business.
